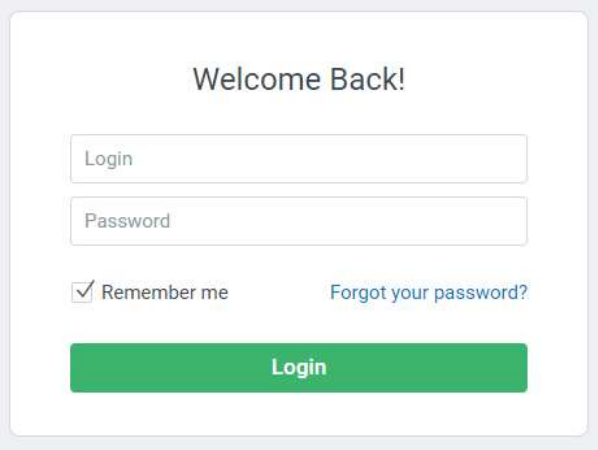
Instructions for e-learning on your PC or Mac

Select the e-learning link:

https://tda.ispringlearn.eu

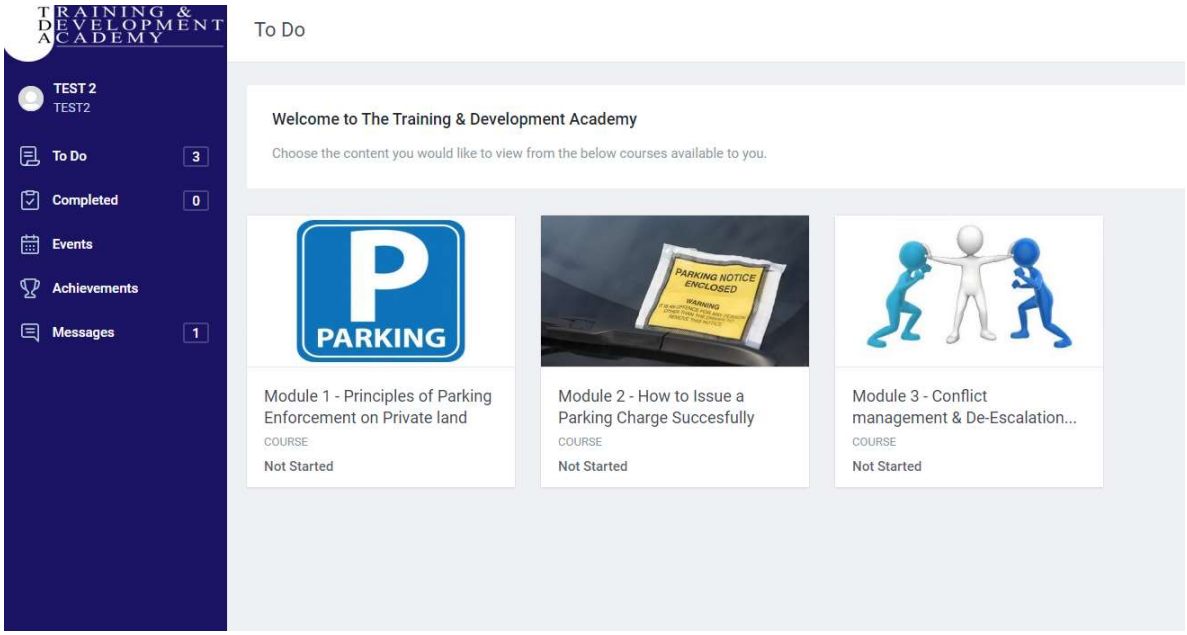
This brings you to our login screen…



Log in:

Log in using the username and password provided, then select “Login”

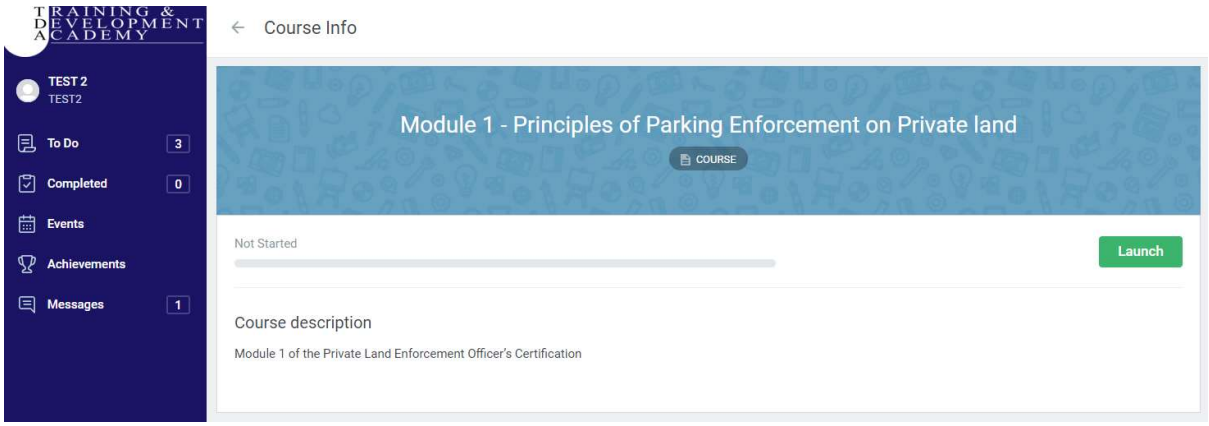
This launches the “**To Do**” home page, which lists the Modules which you need to complete:



Select the 1st Module:

Click on the first Module. - The modules are numbered, and you should work through the modules in the correct order.

The page which opens shows your progress, if you are returning to complete a module.



Launch:

Select “Launch” to start the module.

TESTS: At the end of each module you will be required to take a test to prove your competency for your certification.

Happy learning!
